

MultiChem Corporation, established in 2012 at Ahmedabad, Gujarat, is a “Customer” focused professional manufacturer and exporter of high Quality Organic pigment Fine Pastes for coloring synthetic resin emulsion paints, latex, soaps, wood stains and paper pulp etc. under the brand **MulticronX™**.

Fine Pastes are aqueous, pure, highly concentrated, with longer shelf-life, easily and readily pourable pigment pastes, containing different type of dispersing agents and wetting agents that yield very consistent and stable dispersions in aqueous media, meeting the quality criteria for the application industries. **MulticronX™** Fine Pastes are very easily and uniformly miscible with each other in any proportion.

Quality of MulticronX™ products speaks by itself. **MulticronX™** Fine Pastes are well accepted and appreciated by domestic and foreign customers.
